rePETe - BAGS MADE FROM RECYCLED MATERIALS

Sling rePETe™

\$18.00

Sling rePETe is a durable, crossbody bag designed to go where you do. Featuring a large (13" w X 15" h), 40-pound carrying capacity and cross-body strap, the Sling is ideal for taking on your bike, hopping on the subway or toting to school. Made from 99% recycled materials.

rePETe Travel Pack & Bottle Sling

\$39.00

rePETe - BAGS MADE FROM RECYCLED MATERIALS

\$14.00

The Travel Pack rePETe is a lightweight, durable backpack with breathable shoulder straps and is machine washable. The pack features a large zippered main compartment, top stash pocket, adjustable straps, a removable sternum strap for added stabilization, storage area for a hydration reservoir and two stretch fabric bottle pockets. Made from 56% recycled materials.

Bottle Sling rePETe is a perfect complement to your reusable water bottle and is made from 50% recycled materials. It's able to carry 12oz to 64oz bottles. The crossbody strap has two small pockets designed for chapstick and a pen or chopsticks. The pouch features a small front pocket for phone, ID, & essentials.
